The progress made in implementing the commitments and expected outcomes given by the State in 2021-22 was reviewed and the status in respect of pending items is as under:-

Sl. No.	Commitments	Action Taken	Comments of the PAB 2022-23
1.	The State may re-examine the existing rules in order to include direct recruitment (including through limited department exam) of 50% of all headmasters.	A committee was constituted to reexamine existing teacher Service rules. In this regard, the committee is yet to submit final recommendations.	State is requested to furnish detailed report.
2.	State will complete the pending civil works.	Pending Civil Works are being completed and progress uploaded on PRABANDH Portal.	State should take up all pending civil works on priority and update the data on PRABANDH portal periodically.
3.	State may expedite reforms as indicated by the gaps in the PGI Index.	Some of the pending reforms have been completed. However, the work related to some remaining reforms got slowed down due to unprecedented COVID-19 situations and thereafter, State Assembly Elections. Efforts are being made to complete the pending reforms.	State was suggested to take necessary steps to take expedite the pending reforms as indicated by the gaps in the PGI index.
4	The State would ensure the implementation of Public Finance Monitoring System (PFMS) up to the last destination i.e. School.	The process has been completed and PFMS is fully functional in the State.	Completed.

4) Review of performance during 2021-22:

PGI State for 2021-22 is now open for data entry since January, 2022 and though State has initiated the process and 75% entries have been made. State was suggested to expedite the process and complete the entries. State had secured a score of 804 in Performance Grading Index (PGI) and was placed in Grade I. The Domain-wise Gaps in 2019-20 (I) as compared to 2018-19 (Grade III) and 2017-18 are shown below:

Year	Category 1				Category 2	Total
	Domain 1 (180)	Domain 2 (80)	Domain 3 (150)	Domain 4 (230)	Domain 1 (360)	All Domains (1000)
2017-18	114	64	109	207	214	708

2018-19	114	64	109	207	214	708
GAP	***66***	***16***	***41***	***23***	***146***	***292***
2019-20	***132***	***65***	***113***	***213***	***281***	***804***
GAP	***48***	***15***	***37***	***17***	***79***	***196***

State was requested to examine its score in each domain and take measures to improve its overall PGI score.

a) **Learning Outcomes and Quality (C-1, D-1):** State still needs to work on providing interventions to improve the learning outcomes of the students.

b) **Access Outcomes (C-1, D-2):** State needs to focus on the Adjusted Net Enrolment Rate (ANER) at Secondary level and take steps to identify Out-of-school-children and mainstreamed in the last completed academic year.

c) **Infrastructure & Facilities (C-1, D-3):** State has shown maximum improvement under this and was encouraged to further take measures to reach the top grade. State also needs to focus on provision of Computer Aided Learning (CAL)/ICT facilities in Upper Primary Schools and Secondary Schools. State needs to focus on improving availability of Integrated Science Labs in Elementary and Secondary level. They should also focus on percentage of schools covered by vocational education subject, Percentage of Elementary Level students getting Uniform and textbooks within three months of start of academic year in Government Schools.

d) **Equity Outcomes (C-1, D-4):** State has shown good progress under this and needs to ensure that 100% of schools are having functional toilets for both boys and girls. State needs to focus on increasing difference between boys' and girls' transition rate from Upper Primary to Secondary Level.

e) **Governance Processes (C-2, D-1):** There is need to focus on filling up all the academic positions in State and in district academic institutions at the beginning of the academic year and also increase in State budget on education; and may explore to arrange funds through PPP and CSR to supplement State budget on school education. They should also focus on areas like percentage of Children whose Unique ID is seeded in SDMIS, percentage of Teachers whose Unique ID is seeded in any electronic database of the State Government, percentage of Teachers whose Unique ID is seeded in any electronic database of the State Government etc.

5) **<u>Appraisal issues/ Commitments for 2022-23</u>**

Since 2018-19, State has not been able to operationalize Vocational Education in these 200 schools, the State has a huge spill over works under Vocational Education.

Section: II- New Approaches and Learning Recovery Plan for 2022-23

6) New Approaches 2022-23:

During the year 2022-23, the thrust of the appraisal exercise is based on the areas detailed below:

6.1 Preparation of 5-year Perspective Plan (including current year):

In order to achieve the desirable objectives and outcomes of the scheme, it has been decided to prepare a comprehensive action plan covering all interventions of Samagra Shiksha upto 2025-26 with long term vision and sustainability. While preparing the perspective plan, States/UTs may also identify outcomes to be achieved. A 5-year perspective plan module comprising of major indicators/interventions and outcomes to be achieved has been developed on PRABANDH portal, which has been filled by the States and UTs. This perspective plan will be linked to the Annual work plan of the State and while appraising the same, targets given in perspective plan will also be taken into consideration. This requires suitable and adequate planning at every stage to avoid any future ambiguity. The perspective plan for Uttar Pradesh is enclosed at **Annexure-2A.**

6.2 Annual Calendar of Activities:

In order to achieve the objectives of the scheme, the States/UTs should formulate an action plan laying down timelines for implementation of various activities. Overall results can only be improved through a quantifiable time bound implementation. The indicative implementation calendar for Uttar Pradesh in 2022-23 is at **Annexure-2B**.

6.3 National Initiative for Proficiency in Reading with Understanding and Numeracy (NIPUN Bharat):

- **Perspective Plan for NIPUN Bharat:** NIPUN Bharat mission is expected to achieve its target of universal acquisition of foundational skills by all children at the end of grade III. Therefore, it is of utmost importance to make a plan for next five years which can be broken into annual plans and targets. In this regard, a planning template has already been shared with the States and UTs and the same has further been revised based on feedback from the States/UTs and digitized. The NIPUN Bharat Portal which will be launched soon will have all the details of the documents and information on NIPUN Bharat Mission at one place.
- **Teaching Learning Materials & Teacher Resource Materials:** States and UTs should focus on various interventions related to Child centric Teaching Learning Materials, indigenous toys and games, play based activities and supplementary graded material, Teacher Manuals, Activity Handbooks, resource materials for teachers to align their innovative pedagogies with learning outcomes and grade level competencies at foundational level. The teaching learning material may be prepared in home/local/regional languages.
- **Display of Lakshya/Targets:** States and UTs should ensure that Lakshya/Targets for Foundational Literacy and Numeracy are displayed on the walls of schools/classrooms in local languages so that students, teachers and parents are aware of the same. SMC members and Parents may be made aware of the Lakshyas of the mission so that they can participate in the process and make this mission a success. The template for the same has been shared by MoE on 22nd February, 2022.
- **Printing and Distribution of Codified Learning Outcomes:** Learning Outcomes for the Foundational Stage have been developed and codified and are available in the NIPUN Bharat guidelines document.
  (https://www.education.gov.in/sites/upload_files/mhrd/files/nipun_bharat_eng1.pdf).
  In order to ensure that the learning outcomes reach all teachers, all parents and all schools, States/UTs may prepare the following:
  i. Print these learning outcomes and translate them into regional languages
  ii. Develop posters on these Learning Outcomes for schools,
  iii. Develop Leaflets/Brochures for Parents

  Funds available under MMMER component of Samagra Shiksha may be utilized for this purpose.

i. **IEC materials for creating awareness:** IEC Materials may be developed to create awareness drives about the importance of Foundational Literacy and Numeracy.

ii. **Display of NIPUN Bharat LOGO:** State and UTs must ensure that NIPUN Bharat logo is painted on all Primary sections/school walls. The design of the logo has been shared by MoE and funds for this can be availed under Composite School Grant.

6.4 Implementation of Vidya Pravesh in all Schools:

A three month play based school preparation module for grade I has been launched by NCERT and uploaded on the NIPUN Bharat link on DIKSHA (https://diksha.gov.in/fin.html). The module is designed as an exemplar and the States/Union Territories/schools are requested to ensure timely adoption/adaptation of the same and training of teachers so that the Module could be **implemented in all schools of the country in the next academic session i.e., 2022-23. (Ref letter No. D.O. No. 01-17/2021-1S.14 dated: 18th November, 2021). The module may also be introduced at the Balvatika level.** Module and revised version of the Vidya Pravesh are as given below:

6.5 Targeted and saturation approach for expansion of Secondary and Senior Secondary Education:

To achieve 100% GER at all levels as envisaged in NEP 2020, it is of utmost importance that adequate facilities in terms of infrastructure and quality education are available at the Secondary level. Therefore, Samagra Shiksha will focus on saturation of certain key aspects in next 4 years. This kind of targeted approach will lead to universal access and affordable quality education for all at secondary stage (for the age group of 14-18 years) in the next 4 years, starting with the aspirational districts.

(i) **Opening of new Secondary/Senior Secondary Schools:** To ensure 100% Gross Access Ratio (GAR), this Department has conducted a GIS mapping exercise to find out the requirement of Secondary/Sr. Secondary schools in a scientific and realistic manner. While calculating GAR and preparing the proposal for opening of the new Secondary/Sr. Secondary school based on GIS mapping, State must consider availability of Government aided and private unaided schools also in the vicinity as per the distance norms. **The States and UTs are requested to send the proposals for opening of new Secondary and Senior Secondary schools based on GIS Mapping done by MOE.**

(ii) **Infrastructure:** Priority for saturation in Secondary and Sr. Secondary schools will be given to the aspirational districts which will later be expanded to other districts.

(iii) **Integrated Science Lab:** All Secondary Schools including KGBVs should be provided with integrated science lab.

(iv) **ICT and Smart classrooms:** All Secondary/Senior Secondary Schools including KGBVs should be provided ICT/Smart classroom with internet facility. State may ensure electricity in schools for this purpose.

(v) **Vocational Education:** 50% of the composite Secondary/Sr. Secondary Schools as envisaged in NEP 2020 will introduce vocational education in the next 4 years.

(vi) **School Readiness Module for students at Secondary Level:** The dropout rate at Secondary Level has been consistently higher and one of the reasons for the same is student's inability to cope-up with the curriculum and high stakes associated with these classes. Hence, a 2-3 months readiness module should be prepared for children entering in grade IX so that they are prepared for the secondary stage. NCERT will be developing this module which can be adopted/adapted by the State.

6.6 Strengthening of BRCs and CRCs:

BRCs and CRCs have a significant role in ensuring the implementation of National Education Policy, 2020. Essentially, these institutions are the most critical units for ensuring and evaluating the quality of education at school level on a constant basis and providing timely remedial interventions. With this perspective, the Department is coming up with a comprehensive framework on the roles and responsibilities of these functionaries, linkages with other State/District level structures, identifying existing challenges and accordingly coming up with suggestive measures to improve their overall functioning. State is requested to adopt the framework to help develop the BRCs and CRCs as vibrant academic resource centres for training and onsite support to schools and teachers. Further, all vacant posts at BRCs/CRCs should be filled up on priority.

6.7 Re-envisioning the role of DIETs as per NEP 2020:

DIETs were originally envisioned to strengthen Elementary Education and support the decentralization of education to the district level. Samagra Shiksha envisages the DIETs as a strong district institution that would prepare and support teachers at the school level. Now, with the implementation of the NEP 2020, it has become all the more important to make DIETs the focal point for driving pedagogic initiatives, providing necessary leadership for Foundational Literacy and Numeracy (FLN), use of technology in education and orienting teachers on assessment tools for competency based evaluation. Thus, the Department is coming up with a vision document for DIETs and State is accordingly encouraged to do a reappraisal of the roles, responsibilities and functioning of DIETs.

6.8 Social Audit:

Checking, monitoring and verification of the implementation of the interventions of Samagra Shiksha would be facilitated by Social Audit. This audit is to be carried out by the community and the entire Gram Sabha with the help of stakeholders like the Local Authority, SMC members, SHGs, Youth Clubs, etc. The norms of Samagra Shiksha also emphasize careful monitoring of provisions of Gender and Inclusion. Hence, Social Audit to cover 20% of schools per year is mandatory so that all schools are covered at least once by 2025-26. This audit will help in ensuring transparency and accountability at all levels. In this regard, detailed guidelines were shared with the States and UTs on 8th February, 2022 and the following are the major action points:

i) Appoint a Nodal Officer for Social Audit by 28th February, 2022. The Nodal Officer will coordinate with the Ministry of Education, State Education Department, SIS and Social Audit Unit (SAU) to facilitate the Social Audit Process.

ii) A one-day workshop/orientation programme on Social Audit will be held at the National level with the Nodal Officers of the States/UTs designated for Social Audit in the month of March/April, 2022.

iii) State/UT will sign a MoU/agreement with the SAU established in the respective State/UT, as a Society under the Societies Registration Act, by March/April, 2022. The SAU of a neighbouring State may be selected, if the State/UT does not have a SAU.

iv) The State/UT Government will organize a briefing and planning meeting by April, 2022, with the State Government officials including the designated officer for Social Audit, officials from SAU, etc. Representatives from the Ministry of Education may also be invited to participate in the meeting.

v) The SAU will share the district wise list of master trainers and cluster wise social auditors with the Nodal Officer by March/April, 2022. The district wise master trainers will be mapped with the cluster/s of the respective districts.

vi) Training will be provided to master trainers at the State/UT level in coordination with NIRD/SIRD/SAU and School Education Department in April-May, 2022. The Master Trainers will then be deployed at the district level to provide training to all the identified Cluster Social Auditors (CSA) for Samagra Shiksha by end of June 2022.

vii) The District/Block authorities will identify the Social Audit Facilitation Team (SAFT) by June 2022 for each cluster. The team will visit the schools in the cluster and facilitate the Social Audit for the scheme. The tenure of SAFT will be 3 years from its constitution.

viii) The Master Trainers and CSAS will also provide training to SAFT members in conjunction with DIET by July 2022.

ix) The Cluster Social Auditor (CSA) deployed by the SAU at each cluster will intimate Gram Panchayat about the schedule of conducting Social Audit in the schools under their jurisdiction. The BEO shall also notify the schedule to Gram Panchayat in writing and ensure that it is advertised publicly in order to maximise community participation in public hearings at Village/Cluster and Block level i.e., at Gram Sabha and at Block Panchayat Samiti respectively.

6.9 Inclusive Education:

A comprehensive action plan (Calendar of activities) is to be prepared for the identification of Children with Special Needs (CWSN), training of teachers, availability of special educators, making infrastructure and ICT inclusive and awareness programmes. States and UTs may explore avenues for convergence with Ministry of Health and Ministry of Social Justice for effective coverage and implementation. Regular updation of child wise data relating to stipend for girls and other students oriented component-wise details under Inclusive Education must be uploaded on PRABANDH.

6.10 Vidyanjali 2.0:

Vidyanjali, a school volunteer programme aims to facilitate the community and volunteers to directly connect with the government and government-aided schools to contribute their services and/or assets/ materials/equipment through a dedicated portal. The Department has issued guidelines to the States and UTs and requested them to participate in the program by on boarding their schools on the portal. In addition, the States is required to also identify the local volunteers/civil society organisations working in the field and encourage them to contribute to the schools through the portal so that the demand raised by schools could be met, leading to overall improvement in the quality of school education.

6.11 Ek Bharat Shrestha Bharat:

Ek Bharat Shrestha Bharat programme was launched by Hon'ble Prime Minister on Ekta Diwas (31st October, 2015) to foster national integration by a coordinated mutual engagement process between States and other institutions. All the States and UTs have been paired. The Department has issued revised guidelines on 20th November 2020 for the implementation of the programme to the States/UTs. An illustrative list of suggested activities to be taken up in schools in accordance with NEP 2020 has been drawn up and shared with States/UTs and concerned organizations. Based on these guidelines, the participating States/UTs will prepare an annual action plan of the activities that they would carry out

through the year in coordination with paired States/UTs. The State is required to submit monthly and annual report of the activities to the Department.

6.12 Learning Recovery Plan for 2022-23:

Covid-19 pandemic has presented unprecedented challenges for the education sector as the schools could not open for most part of this academic year and large migrations took place all over the country. The extended school closures have interrupted the learning process of children at every stage. Consequently, the Department has taken several initiatives to ensure that the school going students do not lag behind in their studies during the pandemic.

I. <u>Mitigating learning loss:</u>

After a prolonged closure, many States/UTs have now started reopening schools in a phased manner by following SOPs of COVID guidelines. Towards this effort to mitigate learning loss, the following interventions are suggested to be taken up in a planned manner:

i) NCERT has developed a **bridge course for Out of School Children (OoSC)** from Pre-school to Class VIII that aims to bridge the learning gaps and help OoSC to be mainstreamed in the regular school. State may adopt this course for proper mainstreaming of OoSC.

ii) **Alternative Academic Calendar:** The new Alternative Academic Calendar contains week-wise plan consisting of interesting and challenging activities, with reference to learning outcome/theme/chapter taken from syllabus or textbook. It maps activities for both – children with devices and children with no access to devices. State may adopt this for giving weekly guidance to schools, parents, teachers and students to ensure continuity of education.

iii) **Post NAS intervention:** NAS was recently held on 12th November 2021 and will reflect the learning gaps of pandemic period. The National/State and District reports will soon be out, however, State is requested to plan for the post-NAS interventions based on the findings and ensure appropriate interventions.

iv) **Expansion of DIKSHA (Digital Infrastructure for Knowledge Sharing):** DIKSHA can be accessed by learners and teachers across the country and currently supports 30+ languages and the various curricula of NCERT, CBSE and SCERTs across India. In the context of COVID-19 related disruption of schooling, DIKSHA made it possible for all States/UTs to enable learning/education at home through innovative State programs. Hence, State may ensure further increasing the usage of DIKSHA, including development and uploading of quality e-resources and disseminating the same to the school and student level.

v) **100 Days Reading Campaign:** The Department has launched a 100 days reading campaign for children studying in Balvatika to Class VIII on 1st January 2022. In this regard a detailed guideline with weekly calendar of activities was shared on 9th December 2021. State is requested to participate by involving all Stakeholders for making this Campaign a huge success and also take it further.

vi) **Ensuring age appropriate books in the Libraries and intensive use of Libraries**: National Education Policy, 2020 has emphasised the importance of libraries and books including development of enjoyable and inspirational books in Indian languages, availability and accessibility of books in school/public libraries, strengthening of libraries and building a culture of reading across the country. Keeping this in view, the library guidelines was further revised and shared with States and UTs on 28th October, 2021. *(https://dsel.education.gov.in/sites/default/files/update/revised guidelines for promotion Library Reading%20.pdf)*. State may follow the revised guidelines and ensure that age appropriate books are available in the libraries, and borrowing of books for reading by students is 100%.

vii) **Capacity Building of Teachers:** In the year for 2021-22, NISHTHA 2.0 has been extended to Secondary/senior teachers and NISHTHA 3.0 for Foundational Literacy and Numeracy has been launched for covering all pre-primary and primary grade teachers in Government and Government Aided schools. State needs to share the results of the pre-training assessment for the appraisal and post training assessment with DoSE&L, Ministry of Education (MoE) after the implementation. SCERTs may be entrusted with this task of carrying out the impact evaluation study. Consequently, in 2022-23, NISHTHA training will also be extended to:

1) Senior Secondary Level teachers with a focus on improvement in quality of teachers and learning outcomes of students;
2) Master trainers for Anganwadi Workers in collaboration with the Department of Women and Child Development;
3) Educational Administrators; and
4) Skill Development in collaboration with Ministry of Skill Development.

viii) **Training Need Analysis:** As NEP 2020 mandates 50 hrs of CPD every year for teachers based on their requirement, SCERTs may conduct a training need analysis for teachers at all levels to prepare customized training programmes accordingly. The training can be conducted online or in blended mode as per the prevalent situation.

II. Learning Recovery Package 2022-23:

A comprehensive COVID action plan had been shared with the States and UTs on 4th May 2021, outlining the role of local bodies, formation of nodal group at village/town level, conducting door-to-door/helpdesk-based/app based survey to identify out of school children, their mainstreaming and resource sharing. As a part of the learning recovery package for 2022-23, in addition to the existing interventions, some additional components have been identified for funding as a onetime measure. The additional components identified are:

i) **Learning Enhancement Package (LEP) for all students:** The primary objective of the Learning Enhancement Package (LEP) is to help children to continue learning as the first step towards the restoration of normal learning following this emergency situation. This package will consist of various educational resources worksheets/workbooks, 15-20 age appropriate storybooks, supplementary materials for continuing the learning process for all children including Children with Special Needs (CWSN). Since availability of devices and internet is still a major issue, workbooks, worksheets, activity material and additional books for higher classes becomes all the more important for continuity of learning. State may prepare grade wise material and ensure their delivery to the students. All children must be provided this package in the beginning of the academic session of 2022-23. Financial support @ Rs. 500 will be provided for children at upper primary and Secondary Level, as grades 1-5 are already covered under NIPUN Bharat.

ii) **Teacher Resource Package (TRP) under Innovation:** To continue with the hybrid mode of learning, the usage of tablets will enable teachers to use the resources and content available on various digital portals and show them to the students. It will assist them to undertake NISHTHA and other on-line trainings. It will also help them to upload and monitor the various data/records, track the progress of each child and provide academic help to students during this pandemic. Financial support @ Rs. 10000 for tablets will be provided for the 25 lakh teachers at the Primary Level.

iii) **Foundational Learning Study (FLS) under NIPUN Bharat Mission:** Oral Reading Fluency is the ability to read age-appropriate known as well as unknown text at a certain minimum pace, accurately, and with comprehension. It is one of several critical components required for achievement of foundational literacy skills. It is proposed to have an assessment in Oral Reading Fluency for establishing minimum reading benchmarks in different Indian languages for children at Grade 3 level, along-with foundational earning study and assessing performance against the same, so as to take remedial steps. Financial support @ Rs. 20.00 lakh per State/UT will be provided covering all States and UTs for conducting periodic baseline assessment including Post Foundational Learning Study interventions.

iv) **ICT facility to each BRC under Innovation:** The initiative of ICT in School Education has tremendous potential for enhancing outreach and improving quality of education. ICT at BRC level will enable them to take up a substantial load of teacher capacity building with the help of face-to-face as well as online teaching-learning techniques, tools, content and resources aimed at improving the quality and efficiency of the teaching learning process. These ICT labs available in these blocks will also be utilised as nodal resource centres for identification of CWSN so that parents will be able to reach the schools to get the benefits. Financial support of @ Rs. 6.4 lakh non-recurring and Rs. 2.4 lakh recurring including for tablets will be provided for availing ICT facility in each BRC.

v) **Strengthening of CRCs - Mobility support to CRCs:** The Cluster Resource Centres are the most critical units for training and on-site support to schools and teachers. The CRCs need to undertake regular visits and organise monthly meetings to discuss academic issues and design strategies for better school/student performance. During this pandemic, CRCs need to conduct periodic visits and supervision of schools/localities to observe the learning facilities. In this context, each Cluster Resource Coordinator should visit the schools (locality of learning centres in case the schools are closed) and provide onsite academic support. Financial support of @ Rs. 1000 per school will be provided as mobility support for visit by CRCs to provide support during the COVID pandemic.

III. Annual Calendar of Activities:

Sl. No.	Plan of Action/Roadmap 2022-23		
	Action plan	Time Line	Responsibility
1.	Foundational Learning Study and other Rapid surveys– these study/surveys could be offline, telephonic or online depending on the pandemic situation.	March- April	NCERT
2.	Identify out of school children and drop outs from each grade and locate them in States.	March- April	States/UTs
3.	Ensure implementation of Vidya Pravesh, Bridge Courses and School Readiness Module for Secondary Classes	April	States/UTs
4.	Ensure all concerned teachers have completed NISHTHA 2.0 on Secondary and NISHTHA 3.0 on FLN	April	States/UTs
5.	Use District Report card of NAS 2021 as benchmark for the district to build remediation programme around it.	April	States/UTs
6.	Twinning/clustering of schools with private/KVS/JNV for learning from each other	April-May	States/UTs
7.	Create District-wise strategy for post NAS interventions based on NAS results	May-June	States/UTs
8.	Meeting of twinned schools/cluster schools every month to discuss innovative pedagogy, teaching of disabled children, joint sports/quiz/public speaking activities etc.	From June onwards	States/UTs
9.	Ensure 100% delivery of Textbooks and Uniforms.	July	States/UTs
10.	Distribute additional/supplementary FLN TLM to all students	July	States/UTs
11.	Conduct training need analysis of teachers	July	SCERTs
12.	Initiate NISHTHA Training of BRC, CRC by State	July-August	NCERT
13.	Enrol BRCs and CRCs in NISHTHA training	July-August	States/UTs
14.	Begin mainstreaming of OoSC	July-August	States/UTs
15.	Tracking each child – prepare child registry at school level and available till District level	July-August	States/UTs
16.	Preparation and roll out of customized training programmes for teachers	August-October	States/UTs
17.	CRC visit per school to be initiated at least twice per month	Throughout the year	States/UTs
18.	BRC visit per cluster/few schools to be initiated at least once a month	Throughout the year	States/UTs
19.	Monitor PM POSHAN	Throughout the year	States/UTs
20.	Prepare weekly timetable of Learning Outcome to be achieved	Throughout the academic session	States/UTs
21.	Begin Parent teachers meeting – once every month – take help of parents to achieve learning outcomes	Throughout the year	States/UTs
22.	Meeting of local self-government to participate and contribute – infrastructure, monitoring student/teacher attendance etc.	Throughout the year	States/UTs
23.	School Management Committee meetings	Throughout the year	States/UTs
24.	Use FLN tools on DIKSHA and benchmark each child	Throughout the year	States/UTs

Section: III - Financial Estimation

7) Total Estimated Budget (2022-23)

The estimates for the AWP&B for 2022-23 under Elementary Education, Secondary Education and Teacher Education are as under:

(Rs. in lakh)

Head	Spill over	Non-Recurring (Fresh)	Recurring * (Fresh)	Total (2+3+4)
1	2	3	4	5
Elementary Education	116556.18	92880.08	734076.23	**943512.49**
Secondary Education	20988.10	22392.02	23587.42	**66967.54**
Teacher Education	11413.14	0.00	10507.70	**21920.84**
Total	**148957.43**	**115272.10**	**768171.34**	**1032400.87**

*Includes Programme Management (MMER)

8) Actual Releases by GOI during 2022-23

Against the above estimates, **Central Government shall provide to the State Government, Rs. 583123.97 lakh as its share (Rs. 536322.27 lakh for Elementary Education, Rs. 36960.78 lakh for Secondary Education and Rs. 9840.92 lakh for Teacher Education). The State would contribute Rs. 388749.39 lakh as its State share matching** the above Central share as per the existing fund sharing pattern of Samagra Shiksha. States will also be able to utilise their unspent balances as on 31st March, 2022 for the activities approved in 2021-22 including spill over.

Based on the demand of funds projected for 2022-23, the tentative share of recurring and non-recurring grants is given below:

(Rs. in lakh)

Component	Elementary Education	Secondary Education	Teacher Education	Total
Recurring	440445.74	14152.45	6304.62	**460902.81**
Non-Recurring	95876.53	22808.33	3536.30	**122221.16**
Total	**536322.27**	**36960.78**	**9840.92**	**583123.97**

The Balance of the outlay (i.e. Rs.148957.43 lakh) approved under Non-recurring components in previous years which is not spent fully, is the outlay saved/spill over for the subsequent year (i.e. 2022-23). Against the above Spill over, the committed liability of Department of SE&L is Rs.53057.90 lakh (Rs.40148.48 lakh for Elementary Education, Rs.9373.12 lakh for Secondary Education and Rs.3536.3 lakh for Teacher Education after surrender) keeping in view the total approvals and grants already released.

Non-recurring grant will be released against the committed liabilities and the fresh approvals subject to the production of required documents by State/UTs and physical and financial progress of these interventions under the non-recurring head.

The following activities may be prioritised while incurring the expenditure:

i) RTE entitlements
ii) Foundational Literacy and Numeracy
iii) Quality initiatives including ICT, VE and TE
iv) School Grants including library and sports grants
v) Gender, Equity and inclusive education
vi) Completion of pending civil works/spill over.

There are likely to be savings under the scheme. Therefore, supplementary PAB meetings may be considered separately sometime in the month of October-November, 2021, to consider the additional requirements of States and UTs, based on funds utilisation by the State/UT.

As per Section 7(5) of the RTE Act, 2009, the State Government shall after taking into consideration the sum provided by the Central Government above and the mandatory matching State share, provide the balance funds necessary to fulfil the estimate for the implementation of the Act. It is recommended that the State should meet the balance amount from its own resources including the additional funds devolved under the 15th Finance Commission.

The interventions under the Samagra Shiksha comprise of activities pertaining to Elementary, Secondary and Teacher Education respectively and there is a single Budget for Samagra Shiksha in the Demand for Grants (BE) 2020-21.

The release of funds would be from a single Budget Head only. However, for purposes of ascertaining the quantum of funds going to each component, the Sub-Heads for Elementary (including Teacher Education) and Secondary Education has been classified separately.

The State should invariably provide Single Budget Head during 2022-23 and the nomenclature should be Samagra Shiksha. Since Samagra Shiksha would be catering to various activities relating to RTE entitlements and all other Elementary interventions as well as Teacher Training and activities for BRCs and CRCs which forms the portion of Teacher Education activities as well as for Secondary Education, the States shall also provide a suitable Nomenclature with Sub-Heads to identify the disbursement of funds separately under all components of Samagra Shiksha.

Fund flow to SCERTs, DIETs etc. will be through State Nodal Account of State Implementing Society only.

9) **Release of Funds:**

The release of funds under the scheme will be further guided by the instructions contained in Department of Expenditure OM No. 1(13) PFMS/FCD/2020 dated 23.03.2022 circulated vide MoE D.O. No. 4-4/2020-IS.2 dated 06.04.2022, requesting to ensure fulfilment of the following necessary conditions to facilitate release of funds under Centrally Sponsored Schemes (CSS) for the FY 2022-23:

a) The entire amount of central share of CSS released to the State till 31st March, 2022 is transferred to the Single Nodal Account of the SNA concerned.

b) Corresponding State share in full is credited to by the State Government to the Single Nodal Account of the SNA.

c) Interest accrued in the SNA account is deposited in the Consolidated Fund of India as per the instructions contained in DoE's OM No. 1(13)/PFMS/FCD/2020 dated 30.06.2021.

d) All the bank accounts except the Single Nodal Account of the SNA and all the bank accounts of implementing agencies except zero balance account opened under DoE's instruction dated 23rd March, 2021 have been closed and the amount available in these accounts has been deposited in the Single Nodal Account of the SNA concerned. State GIFMIS is enabled to capture scheme component-wise expenditure along with PFMS scheme codes and Unique Code of the agencies incurring the expenditure.

e) Funds available in the bank account of SNA should not be more than 25% of the amount likely to be released under a CSS to a State in 2022-23.

f) Separate budget lines for Central and State share under the CSS in their detailed demand for grants of the State has been opened.

g) In case of UTs without Legislature, Letter of Authorization would be issued and they shall work directly in PFMS without transferring fund to the Single Nodal Account.

h) All other provisions of the DoE's instructions dated 23.03.2021 regarding release of funds for CSS are strictly complied with.

The utilisation of funds shall be monitored through the PFMS to ensure that the release of funds is in accordance with Rule 232 (V) of GFR-2017, as per details given in **Annexure 3.**

As regards the balance of funds to be released towards 1st instalment and 2nd instalment, the above said conditions and the details to be fulfilled is at Annexure4.

These minutes have been designed as a working document to be implemented and monitored throughout the year. They include the focus areas and new approaches of MOE which have been deliberated in detail in the PAB meetings. The objective is to have emphasis on quality of education and real time monitoring of activities under Samagra Shiksha through UDISE+, PGI, Mobile Apps, and Field Inspections. Many activities are shown separately for elementary and secondary due to different budget sub-heads. State specific projects are shown separately for clarity and monitoring purposes. **State will provide details of the Districts, Blocks and Schools, along with UDISE code where the activities have been conducted.** The minutes also include expected outcomes for each activity which will help States and UTs in assessing their performance.

In order to ensure effective implementation, States and UTs will prepare yearly reports on the progress of following themes/subjects:

- Progress on Foundational Literacy and Numeracy
- Progress on Early Childhood Care and Education (ECCE)
- Report on E-Governance and Digital education
- Convergence initiatives with various line ministries
- Progress on Vocational Education.
- Progress on Teacher Education.
- State Innovations and Quality initiatives

These reports will be submitted in the **month of June every year for the previous year.**

Section: IV - Component-wise Approvals

10) Activity wise details and estimates approved:

1) Support at Pre-Primary Level (Elementary): At pre-school level, support is provided for TLM to children, designing of State specific curriculum and revision of Pre-Primary Textbooks in alignment with NCERT curriculum and training of pre-primary teachers. An amount of **Rs. 6919.17 lakh** was estimated for Child Friendly furniture, Bala Features, Outdoor Play Material & support for existing pre-primary classes in primary schools in the State. **The list of ECCE is attached at Annexure 5.1 & 5.2.**

(Rs. in lakh)

Activity Master	Physical (Schools)	Unit Cost	Financial
Pre- Primary (Non- Recurring)			
Child Friendly Furniture	12879	0.20000	2575.8
Bala Features	545	0.20000	109
Outdoor Play Materials	545	0.40000	218
Total of Pre- Primary (Non- Recurring)			**2902.80**
Pre-Primary (Recurring)			
Support to Pre-Primary (Existing)	59326	0.06770	4016.37
Total			**4016.37**
Grand Total (NR+R)			**6919.17**

Outcome: This would enable to improve the transition rate by emphasising that every child acquires all cognitive/transversal/affective/psychomotor skills required for being school ready/grade-1 ready.

2) Foundational Literacy and Numeracy: At primary level, all children in the age group of 6-9 should have access to foundational schooling and achieve foundational skills by grade 3. An outlay of **Rs.23749.42 lakh** was estimated for various interventions for Foundational Literacy and Numeracy as per detail given below:

(Rs. in lakh)

Activity Master	Physical	Unit Cost	Financial
Teaching Learning Materials for implementation of Innovative pedagogies	12482195 (Children)	0.00155	19347.40
Teacher Resource Material/Activity Handbook	448580 (Teachers)	0.00130	583.15
Capacity building of Teachers of Grades I to V (New)	239186 (Teachers)	0.01	2391.86
Independent, periodic and holistic assessment of Students	1 (Districts)	20.00	20.00
Total			**22342.42**
Formation of PMU (Elementary)			
State Level	1 (State)	75.00	75.00
District Level	75(Districts)	17.76	1332.00
Total			**1407.00**
Grand Total			**23749.42**

Outcome: This would enable all children in the age group of 6-9 to achieve foundational skills by grade 3 and creates for a joyful learning environment and is covered under PGI Indicators 1.1.2, 1.1.3, 1.1.4 and 1.2.3.

3) **Netaji Subhash Chandra Bose Awasiya Vidyalaya (upto Higher Secondary):** An outlay of **Rs.2296.4 Lakh** was estimated as per detail given below for Netaji Subhash Chandra Bose Awasiya Vidyalaya for 4 new Residential schools of 100 capacity at Secondary and Higher Secondary level. The List of schools attached at ***Annexure 6.***

(Rs. in lakh)

Activity Master	Physical	Unit Cost	Financial
Netaji Subhash Chandra Bose Awasiya Vidyalaya - Non Recurring (New) (Upgradation till X)			
Construction of building (new)	4	574.10000	2296.4
Total			**2296.4**

Outcome: This would enable all children in the age group of 6-9 to achieve foundational skills by grade 3 and creates for a joyful learning environment and is covered under PGI Indicators 1.1.2, 1.1.3, 1.1.4 and 1.2.3.

4) **Infrastructure and Civil works:**

i) **Surrender/cancellation of works under Elementary:** The surrender/cancellation of works under Strengthening at Elementary schools (only physical numbers) submitted by the State has been carefully analysed. b) 'Rani Laxmibai Atma Raksha Prashikshan' - Self-Defence Training: Gender-based violence is a serious problem threatening the growth, development, education and health of adolescent girls in the country. Self-defence training techniques instil self confidence amongst girls and helps to promote girls' education particularly their transition to secondary and higher secondary level and to reduce the drop-out rate in schools. Through self-defence techniques, the girls are taught to increase their core strength. In dire situations, one is not required to have martial art training or a particular dress to defend and save oneself instead a strategic nudge, a sharp flick, a kick or a punch are enough to deter the attacker. The girls are trained to use every day articles such as, Key chain, dupatta, Stole, mufflers, bags, pen/pencil, notebook etc. as weapons of opportunity/improvised self-defence weapons to their advantage.

The States and UTs may also look for convergence for availing funding for self-defence training under the Nirbhaya Fund under Ministry of Women and Child Development, Government of India, Police Department, Home Guards, NCC or with other State government schemes. **State is requested to provide UDISE No. of these schools within two months where these activities will be carried out.**

All purchase from central fund should be made through GEM to ensure effective prices and standardized equipments.

The following points need to be kept in mind during procurement:

- Inventory of each item will be maintained by the school and the concerned school Principal will be the in-charge for ensuring that all hardware and software has been marked as inventory items. The record of ICT inventory, school wise, has to be maintained online and made available to MoE as and when required.
- The funds may be utilised for setting up ICT labs/ smart classrooms.
- Teachers should be encouraged to make use of e-learning platforms like DIKSHA, E-Pathshala, Swayam, Swayam Prabha, NROER, NISHTHA, O-labs etc.
- Teachers to be encouraged to contribute content to DIKSHA Portal.
- States and UTs have to ensure that Annual Maintenance Contract (AMC) for each hardware item procured under ICT scheme has been entered into.
- In order to ensure that computers installed in the schools are being used regularly, software which indicates when the computers are turned on or off, linked to the State server must be put in place.

- As per IT Act 2000, it has to be ensured that effective firewalls and appropriate control filters and monitoring software mechanism are installed in all computers in schools. Please consult local NIC for installing a govt. approved, free firewall.

Outcome: Number of schools having ICT coverage and functioning as a percentage of number of Secondary/Higher Secondary schools. This will improve PGI indicator No. 1.3.3.
