1. Introduction

The meeting of the Project Approval Board was held on 21.04.2023 through Video Conference under the chairmanship of Secretary (SE&L) for considering the Annual Work Plan and Budget (AWP&B) 2023-24 for Samagra Shiksha for the State of Arunachal Pradesh. The list of participants who attended the meeting is attached at **Annexure-I**.

Section-I: State specific initiatives, Review of performance & issues

2. Secretary (SE&L) invited Arunachal Pradesh to give a presentation on School Education in the State. Shri Amjad Tak, IAS, Commissioner (Education), Arunachal Pradesh gave a presentation which included the following major points:

- **ARUN UTSAV:** - As envisaged under the NEP 2020, all children in the age group of 6-9 years shall achieve foundational skills by grade-3. a supplementary material on local festival, culture & history of Arunachal Pradesh for elementary level students has been developed under Samagra Shiksha.
- **Development of e-contents on teaching of Third/Tribal Languages:** SCERT, Itanagar has developed e-contents for 8 different Tribal/Third Language which will be uploaded in DIKSHA Portal, SCERT website and in a You-tube channel. It will help the teachers' and students in self-learning in their own pace.
- **Arun Kiran (Supplementary material for FLN Students):-Arun Kiran:** This is supplementary reading materials prepared by inviting Resource Person from the districts and CBOs of different major tribes, who are well versed in their local language & folktales of their own tribe. As per the guideline of NEP 2020, children of formative years must be acquainting with their own mother tongue. So, materials shall be developed from the surrounding objects, to have first-hand learning in the young minds.
- **Orchid Series:** - A supplementary Graded reader containing 32 folktales each for classes I & II of 16 major tribes and III - V of 16 major tribes of Arunachal Pradesh have been developed and introduced in all the primary schools in the form of reading corners targeting the children for development of their language skills. A supplementary graded reader containing folktales of 16 major tribes targeting the children of classes VI-VIII has also been developed.

i. A soft copy of the State's presentation is available at '<https://samagrashiksha.in>'.

ii. In case of ineluctable needs, the targeted locations for approved Samagra Shiksha interventions can be modified up to 10% of the total allocations by the State/UT without any change in the financial costs. *For Example- If the intervention of 100 Smart Class have been sanctioned to 100 schools, the location of 10 schools may be changed to other schools by States/UTs, subject to the conditions that new schools (Schools in which smart class is now provided) are fulfilling the Samagra Shiksha Norms/criteria of sanction of Smart Class.*

Also, the modified locations should not amount to be more than 10% of the total financial approval for the given activity as well. **It is noteworthy that the location should be changed only when it is not possible to implement that activity at the approved location.** While changing the location of any interventions, the norms of Samagra Shiksha for that particular intervention should be strictly adhered to. Any change in this connection, should be informed to the Department with proper justification and supporting documents.

- iii. Further, wherever State involve/engage a third party or organisation for the implementation of a programme/intervention/activity approved under the Samagra Shiksha Scheme, the complete responsibility for such involvement/engagement of the third party with reference to financial/legal or any other implications will rest with the State only. Approval of any activity under Samagra Shiksha Scheme for which third party has been engaged by the State does not tantamount to any endorsement (financial/legal and any other) by the Ministry of Education for the involvement/engagement of such third party or organisation.

3. Review of Commitments and Expected Outcomes & Action Taken during 2022-23

The progress made in implementing the commitments and expected outcomes given by the State in 2022-23 was reviewed and the status in respect of pending items is as under: -

Commitment	Action Taken	Comments of the PAB
1. State was asked to complete the 100% GIS mapping of schools.	Complied. However, some errors are being found with regard to exact location of the schools for which necessary steps have been taken to rectify.	State needs to take all the necessary action for rectifying errors in location of the schools and complete the 100% GIS mapping of schools
2. State was asked to take up all pending civil works on priority and update the data on PMS periodically.	Complied partially, depending on the availability of fund in SIS. Proper implementation & timely execution of civil work is getting affected on account of late release of funds by the State & Central Government.	State needs to ensure timely release of funds from State Government to SIS and take up all the pending civil works on priority basis and update the data on Prabandh portal periodically.
3. State was asked for timely submission of Annual Report.	Delay in submission of Annual report due to delay in translation of Hindi version.	State is requested to submit Annual Report on time.

FINANCIAL ESTIMATION

6. Total Estimated Budget (2023-24)

The estimates for the AWP&B for 2023-24 under Elementary, Teacher Education and Secondary are as under:

(Rs. in lakh)

Head	Spill over	Non-Recurring (Fresh)	Recurring *	Total (Fresh)	Total
			(Fresh)		(2 + 5)
1	2	3	4	5	6
Elementary	6265.41	14304.85	37243.51	51548.36	57813.77
Secondary	2185.55	3612.80	5844.28	9457.08	11642.63
Teacher Education	298.44	1176.68	1346.86	2523.54	2821.98
Total	8749.40	19094.33	44434.65	63528.98	72278.38

*Includes Programme Management (MMMER)

7. Actual Releases by GOI during 2023-24

Against the above estimates, Central Government shall provide to the State Government, Rs. 57658.75 lakh as its share (Rs. 47532.39 lakh for elementary, Rs. 7936.57 lakh for secondary & senior secondary and Rs. 2189.78 lakh for teacher education). The State would contribute Rs. 6406.53 lakh as its State share matching the above Central share as per the existing fund sharing pattern of Samagra Shiksha. State will also be able to utilize their unspent balances as on 31st March, 2023 for the activities approved in 2022-23 including spill over.

Based on the demand of funds projected for 2023-24, the tentative share of recurring and non-recurring grants as per the state is given below:

(Rs. in lakh)

Component	Elementary Education	Secondary Education	Teacher Education	Total
Recurring	30019.16	3759.85	1062.17	34841.19
Non-recurring	17513.23	4176.72	1127.61	22817.56
Total	47532.39	7936.57	2189.78	57658.75

The Balance of the outlay (i.e. Rs. 8749.40 lakh) approved under Non-recurring components in previous years which is not spent fully, is the outlay saved/spill over for the subsequent year (i.e. 2023-24). Against the above Spill over, the committed liability of Department of SE&L is Rs. 11175.80 lakh (Rs. 8608.59 lakh for Elementary, Rs. 2266.69 lakh for Secondary and Rs. 300.52 lakh under Teacher Education after surrender), keeping in view the total approvals and grants already released.

Non-recurring grant will be released against the committed liabilities and the fresh approvals subject to the production of required documents by State and physical and financial progress of these interventions under the non-recurring head.

As per Section 7(5) of the RTE Act, 2009, the State Government shall after taking into consideration the sum provided by the Central Government above and the mandatory matching State share, provide the balance funds necessary to fulfil the estimate for the implementation of the Act. The interventions under the Samagra Shiksha comprise of activities pertaining to Elementary, Secondary and Teacher Education, respectively and there is a single Budget for Samagra Shiksha in the Demand for Grants (BE) 2023-24. The release of funds would be from a single Budget Head only. However, for purposes of ascertaining the quantum of funds going to each component, the Sub-Heads for Elementary (including Teacher Education) and Secondary Education has been classified separately.

The State should invariably provide Single Budget Head during 2023-24 and the nomenclature should be Samagra Shiksha. Since Samagra Shiksha would be catering to various activities relating to RTE entitlements and all other Elementary interventions as well as teacher training and activities for BRCs and CRCs which forms the portion of Teacher Education activities as well as for Secondary Education, the State shall also provide a suitable nomenclature with Sub-Heads to identify the disbursement of funds separately under all components of Samagra Shiksha. Fund flow to SCERTs, DIETs etc. will be through State Nodal Account of State Implementing Society only.

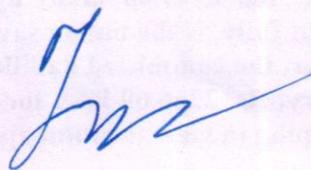

8. Spill Over

An outlay of **Rs. 8749.40 lakh** as Spill over under various activities falling under Elementary Education, Secondary Education and Teacher Education was estimated with the condition that all pending activities should be completed during this year 2023-24. The detail is enclosed at **Annexure VIII**.

9. Costing Sheet

The consolidated item-wise estimate for 2023-24 is at **Annexure IX**. The State must bifurcate the annexed costing sheet among all the Districts according to their proposals/approvals and capture the district wise expenditure against the budget allotted, on the PRABANDH portal on a monthly basis for the real time monitoring of each activity/component approved under Samagra Shiksha. Also, State needs to ensure that timely implementation of the various interventions as per the annual calendar of activities submitted.

The meeting ended with a vote of thanks to the Chair.
