Letter No 700 /

Patna, Dated 28.03.2023

To,

Prof. Padma Sarangapani,
Chairperson, Centre of Excellence in Teacher Education,
Tata Institute of Social Sciences,
Deonar, Mumbai-400088

Subject: Regrading permission and support for large scale data collection.

Sir,

With reference to your letter dated 17th March 2023, I permit your institute for collecting large scale data in district of Patna, Muzaffarpur and Purnia for Biennial report series 'State of Teachers, Teaching and Teacher Education'. I authorized Dr. Reshmi Prabha, Joint Director (DIET) for guide and support.

Thanking You

Director

The Secretary,
Department of Education,
Government of Bihar, Patna

17th March 2023

Dear Mr. Yadav

Greetings from The Centre of Excellence in Teacher Education (CETE), Tata Institute of Social Sciences (TISS), Mumbai. CETE was launched to work towards the revitalisation of the teaching profession and teacher education through teaching programmes, research and advocacy (bit.ly/cetewebsite).

The Centre has planned a Biennial report series of 'State of Teachers, Teaching and Teacher Education'. We are working towards our 2023 report which will focus on teacher availability at schools, supply and demand. The study will provide recommendations for comprehensive planning as suggested by the National Education Policy (NEP) 2020 for teacher availability, recruitment and deployment of teachers. This will help to ensure subject teachers' availability and deployment at the state and national levels.

In addition to secondary data, the report will also draw on primary data from schools and teacher education institutions in ten states. In this connection, we are conducting a study of schools (private, aided and government), teacher education institutions (private, aided and government), and key informants from the education system.

In the state of Bihar, we would like to cover around 120 schools and 30 Teacher Education Institutes (TEIs) in the districts of Patna, Muzaffarpur and Purnia.. We seek your permission and support to complete this large-scale data collection in a timely manner. We would also request you to depute authorities to guide and support us in the data collection process. The data would be collected in the month of March-April, 2023.

Additionally, we also wish to access secondary data available in the State such as Teacher Eligibility Test (TET) related data, B.Ed and D.Ed enrollment, and course completion, and the status of District Institute of Education & Training (DIET).

We request you to please permit us to undertake this research. Please let us know if you require any additional information or clarifications.

Warm regards and thanks in advance,

Prof. Padma Sarangapani,
Chairperson, Centre of Excellence in Teacher Education.
